My dear Mr. Dulles:

This fall, I returned from the University of Guadalajara, Jalisco, Mex., where I was called to teach as visiting Professor of Spanish this past summer. I am now ready to proceed with the awarding of the special citations from our New Mexico Legion Department to you. Your very fine organization and a few other individuals and groups in America of like caliber.

As soon as plans can be completed for the proper methods of presenting these awards, already approved by our Department Convention, you will hear from us.

I hope ere long to be able to come to Washington, D. C. on another mission, and if I do, I should consider it an honor and privilege to meet you and to deliver your Citation personally.

In the meantime, our best wishes, our hopes and our prayers go with you, your brother, John Foster, and your fine organizations - all of whom, like the F.B.I., are doing outstanding jobs in the most difficult task of waging a "cold" war against a formidable foe.

Sincerely,
